### **Upcoming Events**

Turning Southern Style September 15 – September 17 Dalton, Georgia

<http://events.r20.constantcontact.com/register/event?oeidk=a07edn9gitzf2a4eb58&llr=9atcwcjab>

Georgia National Fair; October 5 – 15, 2017. In Perry Georgia. Plans are not finalized yet, but there are some possible changes in the works. Rumor

has it that There will be a table set up beside the lathe with items for sale by the maker and someone to answer questions and to talk to spectators while another person is demonstrating, that way the demonstration will continue to draw more spectators instead of the turner having to stop and talk.

In order for the woodturning demonstrations to work without confusion there will be rotation sign ups like the Docents do at the woodturning display.

Anyone willing to demonstrate can sign up to turn as long as they want and swap out with someone else but we need non stop entertainment.
