

The goals and benefits of the GeorgiaWoodworkers.com website are to:

- Make it easier for Georgia woodworkers to share ideas and find common interests
- Make it easier for Georgia woodworkers to find local woodworking clubs in their area
- Make it possible for the public in Georgia to find woodworkers for their projects
- Promote products and services from Georgia woodworkers
- Facilitate and promote the exchange of instructors among Georgia woodworking clubs

Comments, ideas, concerns, suggestions and opinions are always considered and appreciated. Please [contact Paul Proffitt](#) to help make this a better site for you and your local Georgia woodworking club.
